Hi Lt. Mayer,

Thanks for following up. I'm looking for any department procedure or policy on pretext stops. I had also asked about whether the department keeps demographics data on traffic stops. You said you didn't think so but needed to confirm. It would be great if I could get confirmation and the procedure by Friday or Monday.

Thanks again,

Megan Burks

Megan,

Lt. Mayer forwarded your email to me. My unit handles all the Policy and Procedures for the Department. We do not have a Policy or Procedure on pre-text stops. I'm not aware of any demographics on traffic stops either, but I will try to confirm that for you. Hopefully I will get the answer to that today and email you back. If not, I have Monday off and hopefully will have the answer for you on Tuesday then. Sorry, not much help to you. Let me know if there is anything else I can help you with.

Megan,

I confirmed that we do not keep any demographics on traffic stops.
