

Voice of San Diego Funding Policy

Voice of San Diego subscribes to the Institute for Nonprofit News' standards of editorial independence as follows:

Voice of San Diego retains full authority over editorial content to protect the best journalistic and business interests of our organization. We will maintain a firewall between news coverage decisions and sources of all revenue.

Acceptance of financial support does not constitute implied or actual endorsement of donors or their products, services or opinions.

We accept gifts, grants and sponsorships from individuals and organizations for the general support of our operations, but our news judgments are made independently and not on the basis of donor support.

Voice of San Diego may also may consider donations to support the coverage of particular topics, but our organization maintains editorial control of the coverage. We will cede no right of review or influence of editorial content, nor of unauthorized distribution of editorial content.

Voice of San Diego will make public all donors who financially support us as individual members, major donors, foundations and corporate sponsors.
