Dear Ginger,

Could you let me know if you receive my email? Do you have a phone that we can contact? Last time you mentioned you will arrange meetings for us to meet with mayor Dear. Could you also arrange for us to meet with the mayor of San Francisco or LA. And also meetings with substantial developers. We will be in LA in Aug 7-10. Please let us know how these are going. Thank you very much!

Best,

Dear Mayor Dear,

This is Helena. We met at the exhibition for the US delegates in the Four Seasons Hotel in Guangzhou China.

Our investment delegation from China is going to US very soon. If you have good projects related to real estate, clean tech, manufacturing, medical, etc. you may send to us ASAP and we will review them to evaluate. Also, if possible we would want to meet with you to discuss further about the investment opportunities in the real estate market in U.S.

Please feel free to call me at 86 18620619461 if you have any questions.
