Hi Chris

Lorrie us looking into this for pricing. We definitely do not need other quotes because this is the district standard turf approved by the board

Rian,

Can we use this contract for the GHS field replacement?

Yours truly,

Hi Chris:

Attached is a copy of our CMAS Contract as requested. I have also attached the 'first draft' of the new field layout at Grossmont HS. We can make any changes the site would like to see.

As mentioned, I am happy to provide FieldTurf CoolPlay under the pricing we have discussed ! Wasnt sure I could get that done (a \$40,000 value!).....but it will be a great addition to the

new field.

Look forward to meeting you this Wednesday at 9am.
