

**SAN DIEGUITO UNION HIGH SCHOOL DISTRICT
WITNESS DECLARATION FORM**

DECLARATION OF: _____ a(n) 12th grade pupil enrolled at SDA

I, _____, declare and say:

That Mr. Boyd needs to have a strong discussion with school officials on how to treat students. He has on several occasions made me feel uncomfortable and has been overly dramatic about situations for no reason, Several other girls have complained about him making them feel uncomfortable as well because of his touching them and picking on them. I don't want to and didn't want to get involved but I feel it is necessary. I feel this is necessary because if something worse were to happen I would want that girl to be taken seriously.

- He once asked sophomore year on multiple several occasions to come see my club [REDACTED] games outside of school. and asked me to email him the schedule and then when I didn't because that is weird he kept asking me in class about it and asked if I thought that was weird.
- Several occasions in class he has touched my shoulders head and back ← these occasions are very very frequent and have occurred many times in [REDACTED] times I have had him for my teacher
- I feel very uncomfortable at times in his presence and it almost makes me not want to go to his class

(Herein set forth the facts and circumstances known to the witness concerning the events being investigated.)

I declare under penalty of perjury that the foregoing is true and correct.

Executed the 10 day of May, 2017, at Encinitas, California.
