

**SAN DIEGUITO UNION HIGH SCHOOL DISTRICT
WITNESS DECLARATION FORM**

DECLARATION OF: _____ a(n) 12th grade pupil enrolled at SDA

I, _____, declare and say:

Mr. Boyd has picked me up & hugged me several times. I took his [REDACTED] class in 11th grade & he continuously hugs me & talks to me. In his math class I would feel uncomfortable wearing something with a low cut neck line because he would compliment those shirts or pants that were too tight. In the halls he will grab the back of my neck & shake me. I've run away & hid behind people in order to avoid just talking with him.

I would bring large sweaters to hid my chest (even when I wore T-shirts.) Mr. Boyd still hugs & grabs my arms when I pass him in the halls I dropped out of his [REDACTED] class so I wouldn't be around him.

When walking in the hallways with my boyfriend, I will squeeze his hand tightly & move closer to him if Mr. Boyd is near us/me.

Toward the end of December / early January Mr. Boyd saw me in the hall way (near 40's), gave me a hug, spun me in a circle and said "I can't wait to have you in my [REDACTED] class next semester." That was the first time he ever spun me in a circle, but he had previously hugged me several times before this incident. Afterwards, I had gone to Ms. Nebolon's office to switch classes. Due to previous uncomfortable interactions, I held my binder close to my chest the entire duration of the hug.

Last week (May 8th – 12th) I was waking in the hallway near Mr. Davidson's class room (50) & the girls bathroom attached to the library & Mr. Boyd was walking next to me, put one of his hands on the back of my neck & an other one on my arm & shook me and said "what's going on with you?" I said "nothing" & ducked into the girls bathroom

(Herein set forth the facts and circumstances known to the witness concerning the events being investigated.)

I declare under penalty of perjury that the foregoing is true and correct.

Executed the 16 day of May, 2017, at Encinitas, California.
