DECLARATION OF: _____ a(n) ____th grade pupil enrolled at SDA

I, _____, declare and say:

Mr. Boyd makes many students uncomfortable in class, sometimes myself included. The coments that he makes on some girls clothing may be seen to them as inappropriate. When he rubbed [REDACTED] shoulders that was not okay in my opinion. On a separate note, Ive never had a worse math teacher. I used to love math , but Boyd has made that super difficult for me. I find myself very confused in class , and end up learning the material the best I can at home on my own. Thankfully I haven't been alone in this situation, and other students and I have been able to help each other learn.
