Mr. [REDACTED] advised that the Landlord was under the impression that the tenant was renting the space on the first floor as a photography studio. Supposedly Landlord is in the process of evicting the tenant.	FEB-22-2016 10:59 AM	Patricia Hamilton
[REDACTED] called yesterday to report that the tenant is still occupying the space and are now advertising on something called "Weed Map". There does not seem to be an attempt of eviction.	MAR-01-2016 9:38 AM	Patricia Hamilton
Violation notice sent to both AMJ Properties, LLC and G Cellar certified and regular US mail	MAR-04-2016 11:41 AM	Patricia Hamilton
Property owner provided Tony with the keys to the area the dispensary was located in so we could conduct a compliance inspection. Other than the window for medical card review the only things left behind were some marijuana related magazines, sheets of paper with product names and prices, and two jars that had been used to display marijuana, photos taken.	MAY-04-2016 11:55 AM	Jeff Taylor
