Re: Full Voter Participation Act of 2018 Initiative Measure

After conducting a raw count of the number of signatures submitted for the petition titled, **Initiative Measure Proposing Charter Amendment Requiring All Elections for San Diego County Elective Offices to be Held at a General Election and Requiring Adoption of Local Regulations Relating to Write-In Candidates for County Elective Office**, the total number of signatures filed with this office on May 30, 2018 is **103,328**.

Pursuant to Section 23725 of the Government Code, proponents are required to submit petitions containing, "10 percent of the qualified electors in the county" to qualify. Based on the total number of registered voters in the County at the time of providing the Title and Summary (1,659,839), a minimum of 165,984 signatures was required to be submitted. As a result, this petition is determined to have an insufficient number of signatures to qualify for the ballot.
