Subject: Affiliation Status

Hi Yvette,

Thank you for your time on the phone this morning. As mentioned in our conversation, due to my review of your submitted documentation, and independent research, I regret to inform you that we cannot continue to affiliate the San Diego Family Justice Center under our national Family Justice Center Alliance. If you would like to attempt to regain status as an Affiliated Center, we are willing to work with you. This would include conducting a Snapshot review of the Center at no cost and make recommendations for all issues that must be adequately addressed to restore the affiliation status of the San Diego Family Justice Center. Please let us know if you are interested in this process.

Best,
Raeanne
