

A PARENT’S GUIDE TO SAN DIEGO SCHOOLS

Voice of San Diego’s *A Parent’s Guide to Public Schools* is a free, easy-to-use tool for parents and guardians making decisions about educational options for their children. It explains what’s available, provides advice about how to choose a school, and presents school performance data in an easy-to-use format. The Guide is published in English and Spanish. It is available electronically on our website and as a printed magazine. The guides are available at www.vosd.org/schoolsguide.

VOSD prints 50,000 copies of the guide, 30,000 in English and 20,000 in Spanish. We distribute 20,000 copies to local libraries and social service agencies and 24,000 copies to roughly 800 preschools throughout San Diego County. We partner with community organizations to host workshops in English and Spanish for parents and caregivers during both open enrollment periods (Jan-Mar/Sept-Oct)

The guide is scheduled to be published in February 2023.
