

# CONTRACT OF CITY MANAGER OF NATIONAL CITY MUST END

**TO: National City Mayor and Councilmembers**  
**FROM: National City employees**

We, the hardworking employees of National City, want only the best for our city and its residents and that is why we are urging National City leaders not to renew the contract of **City Manager Brad Raulston**.

## OUR CONCERNS INCLUDE THE CITY MANAGER

1. Attempting to give no American Rescue Plan Act of 2021 funding to employees for hazard pay.
2. Not permitting city employees to take 80 hours of Federal leave, the only jurisdiction that SEIU Local 221 represents with this extreme policy.
3. Attempting to retaliate against employees for protected union activities.
4. Hiring allies for upper management, instead of the best qualified candidates.
5. Being slow to notify employees of COVID exposure.
6. Not sharing data transparently.
7. Not negotiating collaboratively with our union.

**We, the undersigned, urge city leaders not to renew City Manager Brad Raulston’s contract.**
