ELECTED OFFICIALS IN ATTENDANCE

I was proud to chair the inaugural Off the Record because it's one of the rare events that combine substance, humor and impact in a way that truly resonates. It reflects the heart of Voice of San Diego: smart, independent journalism that brings our community together and holds it to a higher standard.

Lani Lutar
2025 & 2026 Chair, Off the Record
President, Responsible Solutions

This will become the "go to" event for maintaining connections and relationships.
